

PSYCHIATRIC AND CHEMICAL DEPENDENCY TREATMENT SERVICES

A COMPLETE CONTINUUM OF CARE

CHILD & ADOLESCENT

INPATIENT PROGRAM

- Acute inpatient treatment for children (4-12 years old) and adolescents (13-17 years old).
- Short, intensive hospital stay designed for crisis stabilization

PARTIAL HOSPITALIZATION PROGRAM (PHP)

(8 am - 4 pm Monday through Friday)

- For transition from inpatient treatment and/or can be used as an option when conventional outpatient therapy is not sufficient.
- This program can prevent inpatient hospitalization by stabilizing behaviors before they require inpatient level of care.

In both inpatient and PHP programs, patients are provided an educational/academic component. They are involved each day in classes taught on-site by a Louisiana certified teacher.

OUTPATIENT CLINIC

Psychiatrist appointments available for all ages
(318) 222.6226

ADULT

INPATIENT PROGRAM

- Acute inpatient treatment for psychiatric and chemical dependency issues for adults ages 18 and over.
- Separate programs for adult psychiatric needs, women's specific issues and chemical dependency treatment.
 - > **Adult Psychiatric Unit** - crisis stabilization for those with acute psychiatric illnesses
 - > **Chemical Dependency Unit** - comprehensive alcohol and drug treatment including medically managed detoxification and rehabilitation using the 12-step program model.
 - > **Women's Unit** - specialty program designed to treat various gender specific issues.

PARTIAL HOSPITALIZATION PROGRAM (PHP)

(8:30 am - 3 pm Monday through Friday)

- For transition from inpatient treatment and/or can be used as an option when conventional outpatient therapy is not sufficient.
- This program can prevent inpatient hospitalization by stabilizing behaviors before they require inpatient level of care.
- Boarding/lodging services available for clients living outside the Shreveport-Bossier area. *Please call (318) 678.7563 for more information regarding this service.*

SENIOR CARE

INPATIENT PROGRAM

- Acute inpatient specialized treatment for older adults 55 years and older.
- Short, intensive hospital stay designed for crisis stabilization.

INTENSIVE OUTPATIENT PROGRAM (IOP)

(9 am - 1:30 pm 3 days per week)

- As the patient progresses through treatment, he/she will come 2 days then 1 day per week.

Inpatient programs accept most private insurances, Medicare and Medicaid.

PHP and IOP programs accept most private insurances and Medicare.
